What are you reading?

In a parish of this size, with so many different talents and tastes there is a lot of spiritual reading going on. Would you take a moment and share with your fellow parishioners what spiritual books you are reading and writing a little infomercial about it? It's good for us to share these things as we walk and grow on the journey of faith together.

2018 New Year's Resolutions

In a recent on line posting, there was an article outlining the top ten New Year's resolutions. Undoubtedly, New Year's Eve has always been a time for looking back to the past, and more importantly, forward to the coming year. It is an interesting list, but note how there is not even one spiritual component. We have added a spiritual dimension in italics to these proposed resolutions for your reflection. Happy New Year!

1. Spend More Time with Family & Friends

It seems as if more than 50% of Americans vow to appreciate loved ones and spend more time with family and friends this year. *Why not come to Church as a family and invite your friends to join you?*

2. Fit in Fitness

Fitness is in. Regular exercise has been associated with more health benefits than anything else known to man. Studies show that it reduces the risk of some cancers, increases longevity, helps achieve and maintain weight loss, enhances mood, lowers blood pressure, and even improves arthritis. *What can we do to strengthen our spiritual fitness?*

3. Tame the Bulge

Evidently 66% of adult Americans are considered overweight or obese by recent studies, so it is not surprising to find that weight loss is one of the most popular New Year's resolutions. *What about trimming down on our "all-consuming" need to have more and more things? Perhaps New Year's gives us all a chance to simplify our lives.*

4. Quit Smoking

If you are among those that have resolved to make this the year that you stamp out a smoking habit, there are a variety of over-the-counter "quit-smoking aids" available. On average, smokers try about four times before they quit for good. *What are the other items in our lives that are toxic? How hard can we work to rid our lives of them as well?*

5. Enjoy Life More

Millions of Americans live hectic, stressful lives. No wonder that "enjoying life more" has become a popular resolution in recent years. *Can we take some time each day to pray, meditate and reflect on all the blessings we have received from God?*

6. Quit Drinking

The articles notes that while many people use the New Year as an incentive to finally stop drinking, most are not equipped to make such a drastic lifestyle change all at once. Many heavy drinkers fail to quit cold turkey but do much better when they taper gradually, or even learn to moderate their drinking. If you have decided that you want to stop drinking, there is a world of help and support available. *Can we take an honest, personal assessment of our habits, especially the bad ones? If we need help, will we reach out? Perhaps our parish could sponsor a 12-step programs?*

7. Get Out of Debt

Millions of Americans have resolved to spend this year getting a handle on their finances. It's a promise that will repay itself many times over in the year ahead. *Can we focus more on what we "need" and curb all the unnecessary things that we "want"? Perhaps with the "excess" we can share with those truly less fortunate?*

8. Learn Something New

This year, some will consider a career change, want to learn a new language, or just learn a new skill. Whether you take a course or read a book, it is understood that education is one of the easiest, most motivating New Year's resolutions to keep. *What was the last spiritual book you read; or the last movie with a spiritual theme that you watched? Each month our parish will highlight a book that every Catholic family should have as a "resource" for a healthy spiritual life.*

9. Help Others

Volunteerism can take many forms. Whether you choose to spend time helping out at a favorite charity, mentoring a child, or building a house, there are many nonprofit volunteer organizations that could really use our help right here in this community. Or if your time is really in short supply, maybe you can at least donate the furniture, clothing and other household items that are no longer needed, rather than leaving them out by the curb. *How much of your personal resources do you give in service of or for the benefit of others?*

10. Get Organized

On just about every New Year resolution top ten list, organization can be a very reasonable goal. Whether you want your home organized enough that you can invite someone over on a whim, or your office organized enough that you can find the stapler when you need it, these tips and resources should get you started on the way to a more organized life. *Perhaps the New Year gives all of us an opportunity to organize our spiritual lives: celebrating the sacraments, growing in knowledge of the faith, taking time to pray, giving service and working each day to conform our lives to Jesus.*

**May 2018 be a year of many blessings
and improved spiritual health for all
our parishioners and their loved ones!**

ASSESSMENT COLLECTION As you may know, parishes, cemeteries, and masoleums are "assessed". that is, taxed an percentage by the Archdiocese in order to assist with costs of the Chancery, poorer parishes, and other ministries that have no outside funding themselves.

Here at St Teresa, we are taxed 18% of our income, which goes directly to the Archdiocese of Newark. Please note that this is not a "goal", rather it is a "tax", that is one that must be paid every month. Our monthly tax here is \$22,129.

To assist us with this expense, the first Sunday of every month, we will be taking up a second collection to go directly to pay this Archdiocesan Assessment. This collection is tax free and 100% of it will go towards paying our monthly assessment.

As always, we thank you for your generosity to our parish and understanding our financial picture. Should you have any questions, please reach out to any member of the Finance Council, the Trustees or Father Bob for more information or clarification.

Thank you!

La Sagrada Familia de Jesús, María y José

".. así como el Señor los ha perdonado, así deben perdonar ustedes." - COLOSENSES 3:13

Perdonar - una de las cosas más difíciles de hacer para las personas.

Es increíble cuánto tiempo podemos guardar rencor o estar enojados con alguien. Mientras celebramos la fiesta de la Sagrada Familia, aproveche esta oportunidad para dar el regalo del perdón a alguien - tal vez alguien de su familia, tal vez un amigo, tal vez un compañero de trabajo o un vecino o, tal vez a usted mismo. Levante el teléfono o envíe un mensaje de texto a alguien ahora mismo.

Walking with Purpose Have you ever struggled with fitting faith and prayer into your hectic daily schedule? Or maybe, you don't have much scripture knowledge, but you'd like to see how God's Word applies to your everyday life? We invite you to consider joining Walking with Purpose, a national Catholic women's Scripture-based program that is fresh, relevant and focused on conversion of heart. You do not need to register to join us on January 10 for our first coffee social of Session 2. Come meet some wonderful women and watch a short video on getting a grip through our relationships. For more information please visit walkingwithpurpose.com. **Parish Contacts: Jill Joseph - jill.joseph4@gmail.com; Joan Piasio - joanpiasio@gmail.com**

Bereavement Group Our upcoming meetings are scheduled for **January 9, January 16, January 23, and January 30**. The meetings are on Tuesdays from 7-9 in the Sacristy. No one should grieve alone. Being with others who are experiencing a similar pain and loss can be helpful. Participants in a Support Group are in mourning and their ways of dealing with the process can be helpful and encouraging. If you, or someone you know, is grieving now, no matter how long ago the loss occurred, you might find deeper peace through the "Journey". Sometimes it is harder to talk with a family member because they are also in pain. If you cannot attend the entire series, drop in when you can. **For more information, contact Ann Marasco: 908-230-2396 or Susan Angelo: 908-967-2396.**
